## Library Book Display: Inspiration for Scottish Interfaith Week

We will celebrate Scottish Interfaith Week this November (2<sup>nd</sup> to 9<sup>th</sup>) and to mark the occasion we will explore the theme of *Our Future*.

Through this year's theme we will unpack the issues close to the hearts and minds of Scotland's youth: [Education, climate, mental health, poverty and discrimination](#). You will find these themes present in many of the recommended books in this list.

Libraries play a vital role in helping young people to learn about these important issues and we encourage libraries in schools and local communities across Scotland to create book displays for the festival using this resource.
